By removing barriers to participation and promoting a culture of inclusivity, we empower our youth to reach their full potential and become leaders in their communities. Join us in creating a brighter future through soccer, where every child has the opportunity to succeed.

## WE BELIEVE

**+Athletes excel in environments where coaches are passionate about teaching and teammates are equally passionate about the game.**

**+For coaches, success blooms in clubs where there's cohesive support, fostering their enthusiasm for imparting knowledge.**

**+Organizations flourish when there's open communication among parents, coaches, and administrators, nurturing a sense of unity and shared purpose.**

## PLAYERS, ROSTERS & TEAMS

As young players, they progress at different rates. We entrust our coaching staff with overseeing the player evaluation process and players chosen for teams in their respective age programs. The number of players selected will be determined by the need of the team and the league(s) they will participate in. When Players are chosen to participate in the Club, they are a member of the program, not one particular team. This means that they may be given the opportunity to play with different players and different teams in the division. They will also be given the opportunity to be coached by different coaches in the division throughout the season.

## COACHING & TRAINING

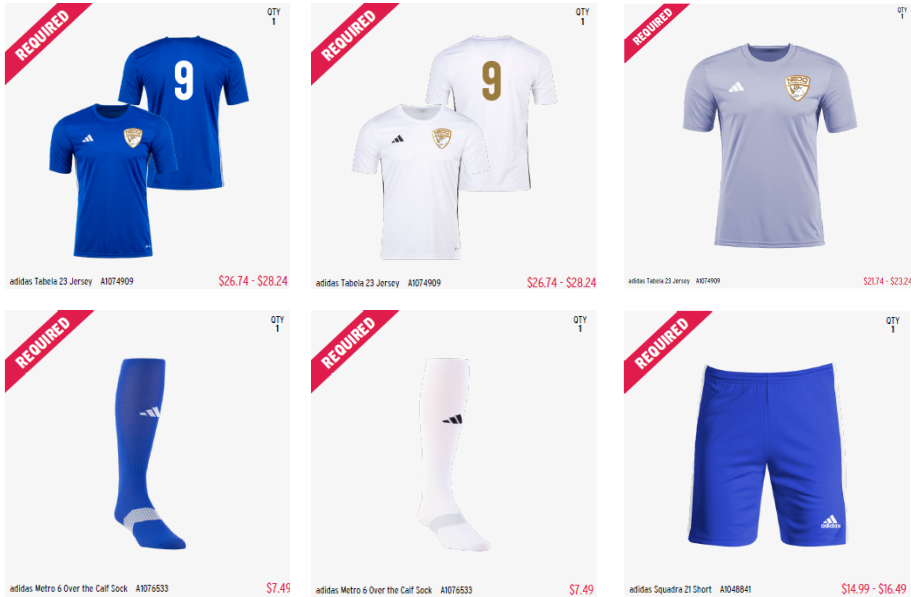

Nedo Soccer Club is dedicated to the development of the total player. We will focus on technical, physical, and psychological skills trainings that will enable our players to compete in different soccer environments. With this type of training, we look to empower our players to reach their maximum potential. Our coaches utilize weekend games as another tool in the education process and not solely as a barometer of wins vs. losses. Our staff will continually measure progress and provide regular feedback on performance. Our coaches succeed when the players have fun, increase their level of play, and develop a passion to continue to play soccer.
