## How to create a Demosphere account

### NOTE

You should only create a new account if you have never used the Demosphere registration system before.

If you used Demosphere in the past for TFA, or any other club, you should continue to use your same username and password. Each club has its own link to register/login.

1. Go to **Registration:** [https://nedosportsacademy.demosphere-secure.com/\\_registration](https://nedosportsacademy.demosphere-secure.com/_registration)
2. Click on “Create New User Account”.
3. Enter your email address and click “Send Instructions”. An email will be sent to you with a link to continue setting up your account.

The screenshot shows a 'Password Reset Request' form. At the top, it says 'Please check your email and follow the instructions provided.' Below this, there is a text input field labeled 'User ID or Email' containing the text 'example@example.com'. A red arrow points to this field. Below the input field is a green button labeled 'Send Instructions' and a grey button labeled 'Back To Login'. A red arrow points to the 'Send Instructions' button. At the bottom right, there is a link that says 'Need more help?'. On the right side of the form, there is a sidebar with the 'demosphere' logo and a paragraph of text: 'Demosphere Report 2 uses your universal Demosphere TeamNet™ Login, allowing you to securely save and access personalized content for this, and any other networked website.'

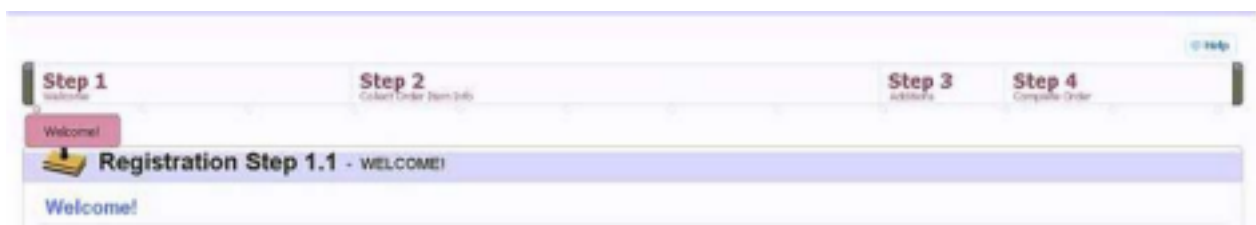

4. Open the email from Demosphere and click on the link to set your password.
5. Enter a new Password. Click “Confirm Account”.

The screenshot shows an 'Account Confirmation' form. At the top, it says 'This ADMIN account will be used to manage your household, members, registrations and payments.' Below this, there are three input fields: 'Email' with the text 'nataliebellin@gmail.com', 'Username' with the text 'nataliebellin', and 'Password'. The 'Email' and 'Username' fields have green borders, while the 'Password' field has a grey border. On the right side of the form, there is a sidebar with the 'demosphere' logo and a paragraph of text: 'Fond Fetched Academy uses your universal Demosphere Login, allowing you to securely save and access personalized content for this, and any other networked website.'
